Comments from ORA Students

"My overall experience with ORA has been a continuing learning process that has been creative and successful, motivating and encouraging. I have learned and grown a lot as a student and a human being."

"This exchange was extremely rewarding. I did things I never thought I would do and faced many difficult situations on my own. These experiences not only helped me to grow but also allowed me to get over many of my fears and to discover what I am capable of."

"It was an amazing experience - one of the best in my whole life. I would do it again if I could."

"I had a really amazing experience on exchange. I am so glad to have had the opportunity to integrate into the French culture, improve my language abilities, meet people from all over the world and travel."

"My exchange was absolutely amazing! I grew so much and gained so much confidence and independence - it was truly life changing!"
